EXPERIENCE

Deloitte Digital *UI Designer*

Jun 2015 - Present | Washington D.C.

- Executed visual designs, composed a brand design system, and provided interactive prototypes for the Amtrak Mobile Rider iOS and Android app and internal Amtrak employee portal.
- Delivered responsive web application for military families to access a wide range of individualized consultations, coaching and counseling for many aspects of military life. The number of page views significantly increased from 1 million to 1.58 million in from Feb. 2017 to Feb. 2018.
- Organized studio culture initiatives promoting well-being and unification of 220+ consultants including the annual Halloween costume contest, game night, and a chicken & waffle day.

The Web Development Group *Design Intern*

Mar 2015 - Jun 2015 | Alexandria, VA

- Designed and organized assets for project case studies showcasing featured work on the company website.
- Crafted illustrations for company blog and earned a spot on Dribbble's Most Popular Shots on May 14, 2015 for a blog titled "What Video Games Taught Me About Design".
- Contributed as social media manager documenting attended design conferences, studio culture, and highlights of completed projects.

FedScoop *Visual & Print Designer*

Aug 2014 - Nov 2014 | Washington D.C.

- Produced illustrations and web and print deliverables promoting series events for over 1,500 top leaders from the White House, federal agencies, academia, and the tech industry.
- Earned trending spot on Twitter acting as social media coordinator on November 6, 2014 for #FedTalks, the largest annual gathering of top leaders in tech and government IT communities.
